Water Authority - Cayman

"Suppliers of the World's Most Popular Drink"

Connection Fee Waiver Extended

As the Water Authority continues its work on the Cayman Brac Piped Water Expansion Project, connection fees will be waived for customers located on the main and side-roads in the area of the on-going works who apply for piped water service before 31 December, 2020.

The current phase of the Piped Water Extension Project covers the area from the West End Primary School up to Ashton Reid Drive.

For additional information and to download a service application form, please visit www.waterauthority.ky or call Customer Service at 948-1403.
