

STAY UP TO DATE

WITH WATER AUTHORITY'S EMAIL
CUSTOMER NOTIFICATIONS

When you apply for the Water Authority's Customer Portal, you can also access the customer email notification feature. This feature provides customers with essential messages that fall under the following categories:

- Planned Works
- Emergency Works
- Customer Portal System Maintenance Work
- Hurricane Notifications
- National Emergency Notifications
- Newsletter/Holiday Greetings/Holiday Hours
- Customer Information Drive
- WAC Notices (important one-off customer messages -eg, EAF increase, Statutory Fee, Demand Issue Updates etc.)

Users can unsubscribe from the email notifications at anytime.
