

PLUMBER'S LICENCING INFORMATION FORM

Please note that the Plumbers Examination Board (PEB) reviews applications for journeyman and master plumbers and sets the standards for the written exam for journeyman and master plumbers. The Board meets every 3 months and the plumbers exams are scheduled one week after the meeting. Plumbers who wish to be considered to sit the exam are notified through notices in the newspaper and on Radio Cayman. For more information, e-mail PEB@waterauthority.ky or call 814-2124.

Regulations:

- All plumbers must renew his/her licence each year.
- If an Apprentice plumber has not renewed each year, they must pay for the years they have missed to be issued a current licence.
- If a Journeyman or Master plumber has not renewed in up to 4 years they must back pay the years that they have missed to be issued a current licence.
- If a Journeyman or Master plumber has not renewed in 5 years or more they must fill out a 'Journeyman/Master Plumber's Examination Application' and their application will be reviewed by the Plumbers Examination Board. The PEB will then decide whether the applicant will need to write the exam again or other information may be required.
