

CAREER OPPORTUNITY

Water Authority - Cayman

Invites applications for the post of

Civil Engineer

The successful candidate will provide engineering design, site supervision and resident engineering services for civil engineering projects carried out or prepared by the Water Authority. He/she will also provide engineering support to the Authority's operational divisions.

JOB REQUIREMENTS:

- Bachelors Degree in Engineering (Civil/Mechanical) and an internationally recognized professional engineering qualification.
- Minimum 5 years relevant post-graduate engineering experience, including the design and construction supervision of major civil works in water treatment & distribution and wastewater collection & treatment.
- Excellent computer skills and proficiency in AutoCAD is essential.
- Must have good written (including technical writing) and oral communication skills to prepare and present accurate reports, and to communicate effectively with management, consultants, contractors and customers.
- Be responsible, detail-oriented, able to work with minimum supervision and be physically fit.
- Must have a clean, valid CI Driver's License.

The Water Authority offers competitive salaries, an international medical insurance plan, Brit-Cay Pensions and generous vacation benefits. The minimum to mid-salary range for this post is CI\$75,340 - \$94,170 per annum.

Application forms may be obtained from the Water Authority Office or downloaded from the website: www.waterauthority.ky. Please send application including cover letter and resume to:

Chief HR Manager
