

CAREER OPPORTUNITY

Water Authority - Cayman

Operations Manager-Wastewater

The Water Authority-Cayman is seeking an experienced and suitably qualified **Operations Manager** with practical field based experience overseeing the operation and maintenance of its wastewater collection and treatment systems. The role is responsible for managing the Authority's wastewater infrastructure, including approximately 25 km of gravity mains, 27 lift stations and 500 service connections, as well as a Sequencing Batch Reactor (SBR) treatment plant with a design capacity of 9,500 m³ per day (2.5 MGD).

JOB REQUIREMENTS:

- Minimum of 5 years' experience in the operations and maintenance of wastewater collection systems and WWTPs, including at least 3 years in a supervisory role with a Bachelor's degree in civil or environmental engineering; or an associates in a relevant field with 7 years of supervisory experience; or 10 years as a senior superintendent or manager in wastewater utilities.
- Highest level wastewater treatment/collection system Operator Certification (Class IV or equivalent) in current or most recent jurisdiction of employment.
- Lead and manage the wastewater operations activities - assigning tasks, monitoring workflow, improving processes, and engaging with staff regularly to identify and resolve issues.
- Proven hands on experience with materials, methods and equipment used in the operations and maintenance of wastewater collection and treatment systems. Including submersible pumps, diffusers, blowers, SCADA systems, online monitoring systems, associated software, manhole rehabilitation and lift stations.
- Strong operational knowledge with practical application experience in wastewater treatment processes, including biological treatment, basic chemical and bacteriological testing, and relevant mathematical principles.
- Proven working knowledge of occupational hazards and standard health and safety practices.
- Strong IT skills, with proficiency in spreadsheets and working with database systems.
- Will be required to supervise, train and direct junior staff.

The Water Authority offers competitive benefits including comprehensive health insurance, a choice of pension plans, and a generous leave package. The salary range is C\$84,720 - \$105,900 (US \$100,800-\$126,000) per annum. This is a full time and permanent role and hours of work are 37.5 hours per week, Monday - Friday. Additional hours may be required in order to complete work within deadlines.
