Water Authority – Cayman is pleased to announce Levi Superville as this year's recipient of the Authority's Annual Scholarship. Mr Superville began his studies in track club and mentors other Chemical Engineering at McMaster University in Canada in the fall. He will participate in the university's CO-OP programme, which provides an enhanced educational experience by alternating between academic study and

In addition to his studies, Mr Superville has a passion for track and field, primarily distance running. He has

represented the Cayman Islands on three occasions at regional and international track and field events. He also CI\$35,000 to a suitably assists with coaching at his students in chemistry. Mr Superville also enjoys fixing jet skis.

Water Authority Announces 2022 Scholarship Recipient

Water Authority Director Dr Gelia Frederick-van Genderen said the Authority is proud to support Mr Superville. "The water industry, in particular, relies on STEM professionals, and the Authority is proud to support a young Caymanian's pursuit in this area. We wish Mr Superville all the best as

he pursues his degree."

Every year the Authority offers a scholarship of up to qualified Caymanian to obtain an undergraduate academic or technical/vocational degree or diploma in a field of study relevant to the Authority's work.

The Authority will begin accepting applications for the 2023 Scholarship in November 2022.

For more information about the Authority's Annual Scholarship, please visit www.waterauthority.ky/ scholarships-how-to-apply. each year.

I am pleased to announce Levi Superville as this year's recipient of the Authority's Annual Scholarship. We are proud to support this exceptional young man in his academic pursuits. You can read above to learn about the requirements and how you can apply for the 2023 Scholarship. We look forward to

receiving the applications and supporting our future water professionals.

In September Water Authority staff members, joined the rest of the world and honoured Her Late Majesty Queen Elizabeth II by laying wreaths and flowers on the steps of the Government Administration Building, and signing the community condolence book. We also wish

the best to His Majesty King Charles III as he embarks on this new chapter as Our Sovereign.

As we look ahead to the upcoming holiday season. I would also like to take this opportunity to wish everyone a joyful and safe Christmas and a healthy, prosperous New Year on behalf of the Water Authority Board, management and staff. If you are looking for a unique gift or a way to give back to the community, consider the Water Authority gift certificate, which comes in various denominations.

The new year marks an exciting milestone for the Water Authority as we look forward to celebrating our 40th Anniversary with a year-long series of events. We are very excited to celebrate this special occasion with our customers and the general public!

Dr. Frederick-van Genderen

work terms.

OUR COMMITMENT to you...

The Water Authority was established in 1983 as a statutory body responsible for supplying pure, wholesome and affordable drinking water to the people of the Cayman Islands.
 The Authority is also responsible for the proper treatment of wastewater and for the protection of the fresh groundwater lenses that exist throughout the Cayman Islands.

WAC Employees Gather for Annual Staff Meeting

On 30 September, the Water Authority held its Annual Staff Meeting under the theme "Building Resilience as We Grow."

Participants enjoyed a captivating performance by Nasaria Suckoo Cholette, who used her poems to highlight the theme of resilience. Staff participated in a team building activity, where teams raced to assemble a meter connection correctly.

The Authority's Director, Dr Gelia Frederick-van Genderen, outlined major projects the Authority will focus on in the coming year to keep up with the islands' development.

The Hon. Juliana O'Connor-Connolly, Minister for Education, District Administration and Lands, and the Authority's Board Chairman, Mr Darrel Rankine joined staff for the afternoon, motivating staff with energizing remarks. Two members of

the Board also attended the staff meeting; Mr Mark Scotland and Mr Nickolas DaCosta (who served as MC).

"It was a pleasure to be able to have our staff gather together and look forward to the future," remarks Water Authority Director Dr Gelia Frederick van-Genderen.

Water Authority Looks Ahead to its 40th Anniversary in 2023

Next year will mark the Authority's 40th Anniversary and the planning for a year-long series of events is already underway!

The Water Authority was officially established in 1983 with the passage of the Water Authority Law. In those early days, the Authority had a staff of five, and its offices were located in a threebedroom house on Maple Street in George Town.

The Authority now boasts over 140 staff members, and its customer base continues to grow, with over 21,000 customers in 2022!

The year-long series of events will include a variety of celebratory occasions and projects to engage with the Authority's customers and the

general public. The 40th Anniversary will focus on three core themes: community service, employee recognition

and student education.

The public is encouraged to stay tuned to the Authority's social media pages and website for more details.
